Stars In The Making

On Tuesday, children from the performing arts, after school club, took to the Brindley stage to perform their drama and dance piece entitled 'A Step Back in Time'. Miss Rowe and staff were astounded with the professionalism shown by all of the children. Not only were they super stars on the stage with their talent, confidence, loud voices and facial expressions but off stage too. They worked as a team, gave each other words of encouragement and no matter what they didn't give up. In addition, their manners were impeccable all day and they really did represent our school in a fantastic way. We are so proud of all the children and we most definitely have stars in the making. We told them to reach for the stars and shine and they did just that! Well Done!!
